

V7 USB 3.0 FLASH DRIVES

Retractable slide in USB connector

The V7 USB 3.0 flash drives offer an easy to use cap-less slide out design that will keep your USB connector free of dirt and dust without having to keep track of a cap. These drives allow you to store your important information 10 times faster than USB 2.0 drives in an easily transportable thumb drive so you can carry it throughout the day from your home, in the car and all around the office. Ranging in size options of 8GB, 16GB and 32GB there's a size option for all your needs. Backed by a limited 5 year warranty these reliable drives provide peace of mind and freedom to transport your data with ease.
